Hi! My name is Ms. Emily. This will be my 4th year in the Leap Frog class. I attended Harding University where I met my husband Scott, and we've been married for 30 years. Our boys, Matt (14) and Will (9) keep us busy with school, sports, and activities. When I have the chance, I enjoy reading, scrapbooking, and going to Disney World. Most often, you can find me at the basketball court or marching band field, cheering on my boys. I look forward to a great year learning and growing with the Leap Frogs!
